The Rogers Family Releases Let's Sing a Song About Jesus First Horizon Records Album

A true story of faith under pressure. Read the first half below, then continue online.

KEY SPIRITUAL TAKEAWAY

"He Keeps Right On Blessing Me"

(Transliterated from the original Hindi.)

They had gathered only to pray. When prayer itself becomes the target, faith is proved not by words but by staying.

The Story - Part One

North Carolina-based Southern Gospel group The Rogers Family released their first full-length album for Horizon Records, Let's Sing a Song About Jesus, on Friday, 20 November 2026. The 12-song collection is the family's debut for the Crossroads label, arriving after a run of singles that introduced their harmonies to Southern Gospel radio and to the charts.

Picture a family that sings together because they have always sung together. Not a band assembled in a studio, but a household where the harmonies were learned at the kitchen table and carried into the church on Sunday morning. That is the sound at the centre of this album, and it is why the record feels less like a debut and more like an arrival.

The album's road here was paved by a single. "He Keeps Right On Blessing Me", released in June, continues to climb the Singing News Southern Gospel Chart, and it set the tone for the full record: traditional Southern Gospel harmonies with fresh musical touches, and a message that stays fixed on Jesus. The new album adds seven more songs to the singles fans already know, rounding out a dozen tracks of unhurried, family-sung gospel.

For a family group, a first full-length album on a label like Horizon Records is a milestone that matters. Singles can introduce a voice, but an album asks a family to say who they are across twelve songs, and The Rogers Family have answered with a record whose very title is an invitation: let's sing a song about Jesus, together, right now.

Rogers Family Let's Sing A Song About Jesus: 12 Songs Of Southern Gospel Harmony

Let's Sing a Song About Jesus celebrates the timeless message of the Gospel through the close harmonies that define Southern Gospel, with fresh musical touches that keep the sound from feeling like a museum piece. The group's approach is straightforward: the song comes first, the harmony serves the message, and the message is Jesus.

The timing of the release puts the family in good company. November has been a crowded month for Christian music, with new albums arriving almost every week, and the Rogers Family's debut sits alongside some of the season's biggest releases, as our roundup of the week's new music shows. The family from North Carolina may be the newest name on the shelf, but the chart climb of their single suggests listeners have already found them.

The Turning Point - What Happens Next

The story reaches a life-changing moment that changes everything -- and what seemed like the end is only the middle. Two reports disagree on the numbers, and one question is left unanswered: will the CCTV footage ever come out? Read the full story to find out what happens next.

PERSONAL REFLECTION & DISCUSSION QUESTIONS

1. When gathering to pray carries a real cost, what keeps a community coming together anyway -- and what would keep you coming?

2. The pastor's sister shielded him with her own body and fainted under the blows. What does costly, self-giving love look like in your own family or church?

3. When justice is delayed and a complaint is withdrawn under threat, how do believers hold on to truth without giving in to fear -- or to hatred?
