Forrest Frank Releases New Season Song Ahead of The Jesus Generation Album December 4

A true story of faith under pressure. Read the first half below, then continue online.

KEY SPIRITUAL TAKEAWAY

"It's a new season, I'm starting it with praise for a reason, cause the Lord has been good to me again and again."

(Transliterated from the original Hindi.)

They had gathered only to pray. When prayer itself becomes the target, faith is proved not by words but by staying.

The Story - Part One

Christian music star Forrest Frank released his new song "New Season" on Friday 20 November 2026 via River House Records. The piano-driven track urges listeners to keep believing in God's perfect plan even when life takes unexpected turns, and it is the fourth and final promotional single from Frank's ninth studio album, The Jesus Generation, due out 4 December 2026.

Picture a sunlit studio in late autumn, leaves drifting past the window, and a young musician sitting at a grand piano with nothing but a melody and a message. There is no arena crowd, no light show, no spectacle. Just a piano, a voice, and a line that lands like a prayer: "It's a new season, I'm starting it with praise for a reason, cause the Lord has been good to me again and again." That is the sound of "New Season", and it is deliberately quiet.

The stripped-back production, led by a serene piano melody, puts the lyrics in the spotlight. Frank has gone the other way from the biggest possible sound, trusting a simple piano line and an honest lyric to carry the song.

The message of the song is one that will land with anyone whose year did not go as planned. A new season does not always look like a fresh start; sometimes it looks like the same hard circumstances with a new willingness to praise God in the middle of them. Frank's lyric does not promise that the unexpected turns will disappear, only that God's plan is still perfect, and praise is the right response anyway.

Forrest Frank New Season: The Final Single Before The Jesus Generation Album

"New Season" is the fourth and final promotional single from The Jesus Generation, Frank's ninth studio album, due out 4 December 2026. The album features collaborations with JVKE, Michael W. Smith, ZVC and Elevation Rhythm, a lineup that spans generations of Christian music, from a worship legend like Smith to the newer voices of Elevation Rhythm. It is a big tent, and Frank is inviting everyone in.

The Turning Point - What Happens Next

The story reaches a life-changing moment that changes everything -- and what seemed like the end is only the middle. Two reports disagree on the numbers, and one question is left unanswered: will the CCTV footage ever come out? Read the full story to find out what happens next.

PERSONAL REFLECTION & DISCUSSION QUESTIONS

1. When gathering to pray carries a real cost, what keeps a community coming together anyway -- and what would keep you coming?

2. The pastor's sister shielded him with her own body and fainted under the blows. What does costly, self-giving love look like in your own family or church?

3. When justice is delayed and a complaint is withdrawn under threat, how do believers hold on to truth without giving in to fear -- or to hatred?
