(Transliterated from the original Hindi.)

They had gathered only to pray. When prayer itself becomes the target, faith is proved not by words but by staying.

The Turning Point - What Happens Next

The story reaches a life-changing moment that changes everything -- and what seemed like the end is only the middle. Two reports disagree on the numbers, and one question is left unanswered: will the CCTV footage ever come out? Read the full story to find out what happens next.

PERSONAL REFLECTION & DISCUSSION QUESTIONS

1. When gathering to pray carries a real cost, what keeps a community coming together anyway -- and what would keep you coming?

2. The pastor's sister shielded him with her own body and fainted under the blows. What does costly, self-giving love look like in your own family or church?

3. When justice is delayed and a complaint is withdrawn under threat, how do believers hold on to truth without giving in to fear -- or to hatred?
